# SENIOR CLASS WILL

We, the Senior Class, of Ninth Avenue High School, Henderson County, Hendersonville, North Carolina, being of questionable mind and disorganized faculties, after four zealous years, do hereby make, publish, and declare this as our last and worst will and testament, hereby rescinding all former wills, bequests and devises of whatever nature by us already made.

FIRST: We give, devise and bequeath to the Junior Class, the Senior Week, if they can manage an almost unmanageable feat, and all memories pleasant, unpleasant, or otherwise of Ninth Avenue.

SECOND: To the Sophomore Class we leave our quick wit, rapid elucidations, and best of all, our ability to elude any type of homework.

THIRD: To the starry-eyed Freshmen, we leave our utterance and our ability to abuse English, Math, Science, French and all other subjects beyond the comprehension of their undeveloped minds.

FOURTH: Be it known that members of the Senior Class generously with charity for all and contempt toward none, bequeath all personal possessions, such as points from pencils, scrap paper, lipsticks, eyebrow pencils and books for all occasions to the underclassmen in the "Pursuit of knowledge and happiness."

FIFTH: To the library we bequeath all comic books, love stories and similar junk which we read so carefully all year.

SIXTH: To Miss Stephens we leave the gift of time to heal all "pains" caused by her adorable class.

SEVENTH: To our beloved faculty we bequeath a liberal supply of gratitude.

EIGHTH: To our dear principal we bequeath a vast amount of patience for the remaining flock.

Having bequeath all that we possess, we hereby appoint Miss Stephens as executor of this, our last will and testament. In witness thereof, we have hereunto set our hands and seals this thirty-first day of May, A. D. 1959.

Signed: Senior Class

Signed, sealed, smeared, published, and declared by the Senior Class as and for their last will and testament, in the presence of each other, signed our names as witnesses to said document.

Signed:

# REMEMBER

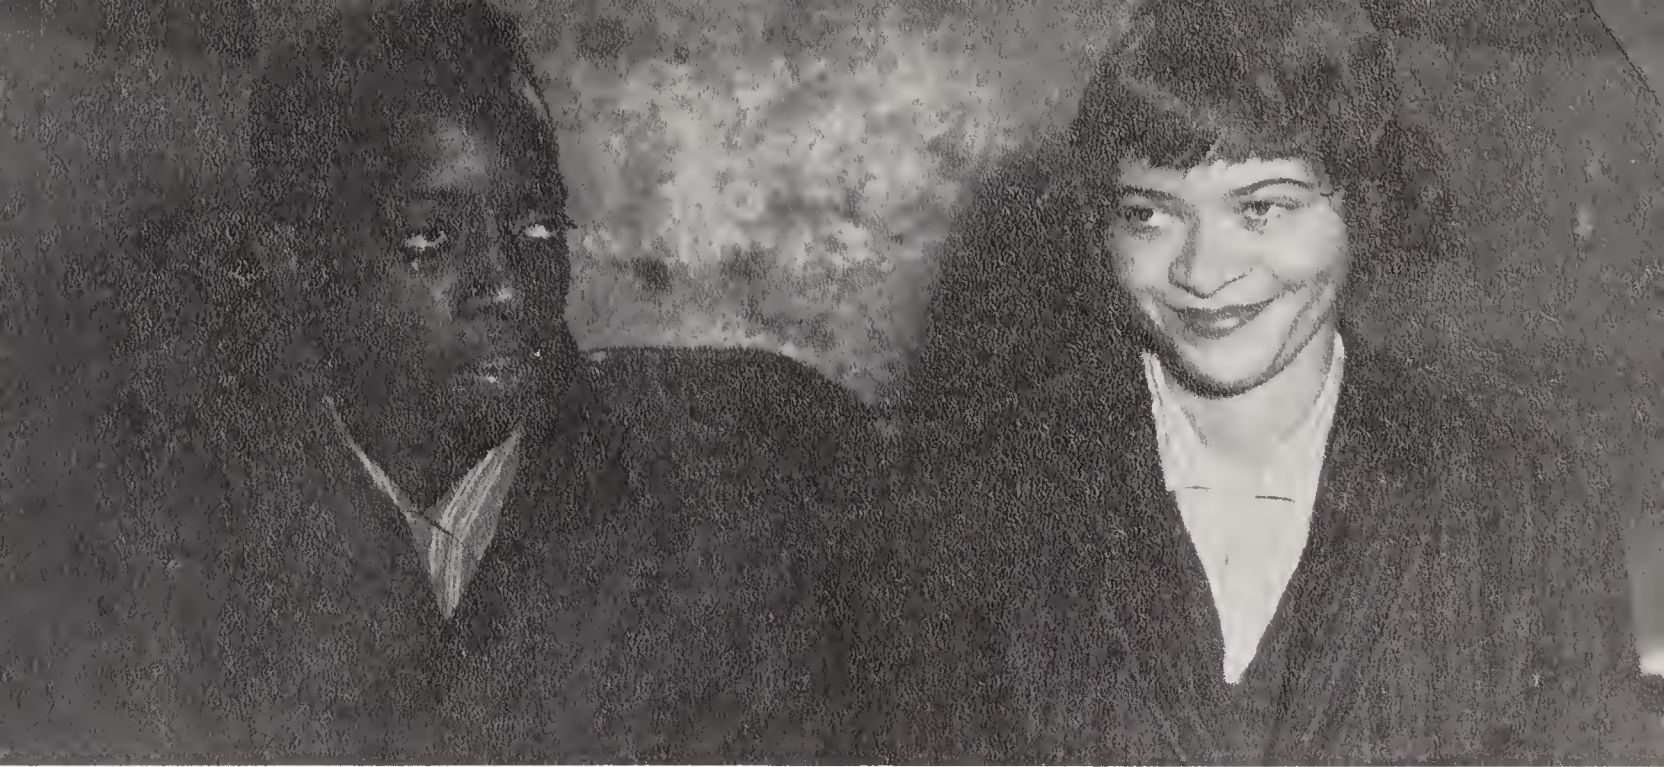

# THE PROM

Our special thanks go to Miss M. E. Stephens for the long nights and tedious efforts she gave to make this yearbook possible. With deepest gratitude we tender our sincere appreciation, the yearbook staff of "The 1959 Tiger."

We are extremely indebted to the following persons whose sacrifices of time and energy played such an important part in the makeup of the book: Mrs. James Pilgrim, Miss Flora McMillian.

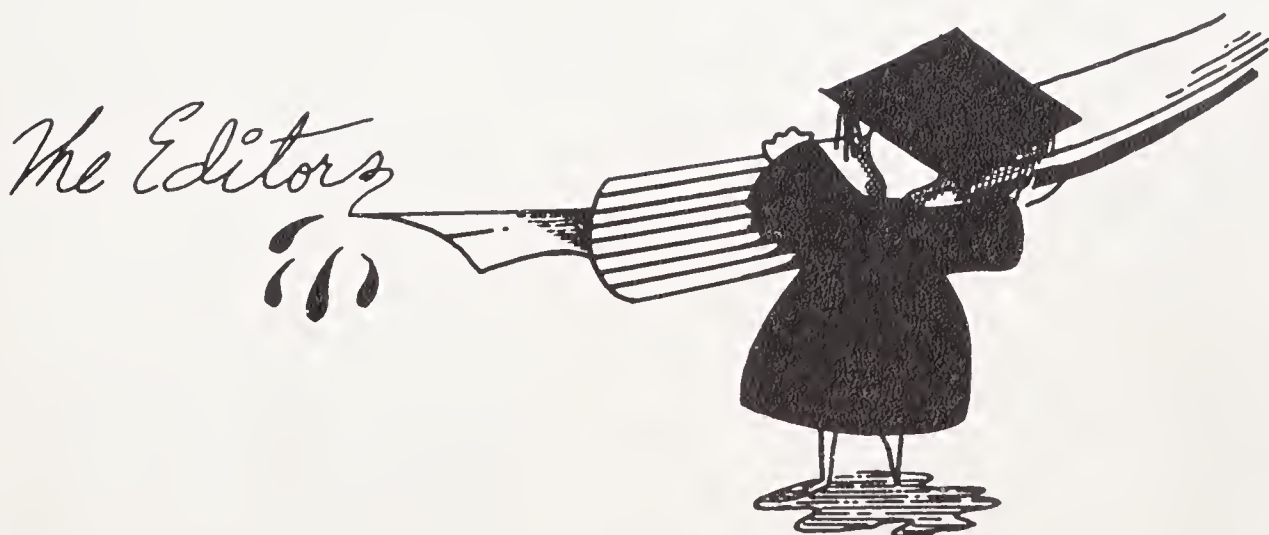

Dear Students:

Your 1959 yearbook is before you--reminding you of the memorable events of this school year, of which you have been a part. Through this book, the staff hopes that as the years pass, this 1959 "Tiger," will stand as a monument to your participation, your indulgence, and your stamina in the perseverance of your high school days.

We apologize for errors we may have made, and in spite of them, we hope you are proud of your Tiger--for this is the picture story of your life and contributions at Ninth Avenue School for the school year of 1959.
